Glamor and Groceries

This pert Fiesta Farmerette, heralding the San Mateo County Fiesta, to be held at Bay Meadows, San Mateo, from September 18 through September 21, with a basket of the county's choice produce also can give a basket of data about the county's agricultural importance.

Hundreds Of Applications For Space Pour Into Office Of San Mateo Fiesta

Sixteen hundred applications, many of them from Daly City and Colma, have been received for exhibit space at the San Mateo County Fiesta, which opens the evening of September 18.

As the committees in charge scan the applications, ranging from projected displays of single plants and flowers to massive gardens designed to arrest the eye of everyone, they believe it approaches understatement to comment that the fiesta will literally "burst into bloom."

There will be scenes of cool and shady gardens with the blooms of six thousand gardenias; landscapes featuring ferns and shrubs; patio designs giving a semblance of res-

idential enhancement; practice exhibitions of ingenious grills and fireplaces, barbecue pits and gardens built for beauty as well as comfortable utility.

"The Floral Stairway to the Stars," one of the most unusual features ever to be seen, will be made up of some thirty thousand distinctive blooms of five or six rare flowers. The stairway will be accessible, leading to a climatic and inspiring display of a futuristic sunburst and sky.

Nearly \$18,000 will be given this year in cash awards, and the keenness of competition in all divisions and classifications promises novel displays.

San Mateo County News In Review

Outstanding Record

With 1390 FHA-financed new homes constructed during the first six months of 1940, according to Douglas Manuel, production manager of the Federal Housing administration in San Francisco, San Mateo county again achieved an outstanding record of development.

Marin county during the same period built only 163 FHA-financed homes; Alameda county, including Oakland and other East Bay cities, with approximately four times the population of San Mateo county, registered only 189 more homes than this county.

Ice Rink

Plans for construction of a \$150,000 ice rink on Bayshore highway at Belle Haven, south of Redwood City, by Palo Alto Ice Land, Inc., were approved by the county planning commission last week.

The promoters intend to introduce ice hockey games and probably will stage an "ice follies" rivalling San Francisco's ice carnival, according to the planning secretary.

Junipero Serra

With resurfacing work on Junipero Serra boulevard between Cypress Lawn and Sneath lane near Tanforan well under way, planting of flowers, shrubs and trees in the 24 foot center strip which divides the double three lane highway will start next week, it was announced today by Andrew J. Gallagher, president of Joint Highway District No. 10.

Supervisor Thomas L. Hickey, San Mateo county representative on the highway board and Supervisor Alfred Roncovieri, San Francisco representative, report that numerous residents of the two counties have submitted suggestions on the type of flowers, shrubs and trees they would like to see planted in the center strip and along both sides of the new highway.

The majority of the letters received, Hickey and Roncovieri said, included the suggestion that the beautiful and colorful flowering eucalyptus tree should be particularly favored.

"The center strip," said Roncovieri, (Continued on Page 4)

Board To Classify New Draftees

The 21-year-old draftees have until Friday to return their questionnaires, according to Mrs. Effie Ford, of the local draft board.

The questionnaires have almost all been returned by today. Classification will begin tonight at the regular draft board meeting.

The sixteenth draft call will be made in early September, but a definite date has not been set. Joining the million-and-a-half man American army will be eight men from the local district, which includes Daly City, Colma, South San Francisco, Brisbane, and Sharp Park.

The sixteenth call will draw 43 men from San Mateo county. Burlingame will furnish nine men, San Mateo, three; Redwood City, ten, and Menlo Park, three.

The three draftees who left this morning for San Francisco—constituting the fifteenth call—were Howard Young, Michael Callan, and Phillip Gibbons.

Business Front Shows New Activity

Activity spurted on Daly City's business front this week as three new businesses opened here and two others made preparations to open in the near future.

Bill Meyers has opened a new shop at 6564 Mission street under the name of BILL'S RADIO. He sells new and used radios and does repairing. Meyers comes to Daly City with a background of twenty years of radio experience including four years in the U. S. Marines as a radio operator. Bill Meyers, his wife, a son and daughter are making their home in residential quarters adjoining the radio shop.

Colma 5 and 10 Cent Store opened, Saturday, with a complete stock of merchandise from hair pins to flower pots. W. C. Bruce is proprietor and his staff of clerks are this week smilingly alert to customers who come in for purchases or just to get acquainted. (Ladies, Shh... They've got silk stockings, and the address is 7380 Mission street.)

Grayson Voeth is a new name in the Daly City business men's roster. But when it was announced that he was father-in-law to Stan Crane of Stan's Standard station, San Pedro road at Junipero Serra boulevard, there was an immediate welcome extended Voeth. Paralleling Stan Crane in business enterprise, Grayson Voeth has taken over the Richfield station at Gambetta and Mission streets.

Legion Sponsors First Aid Course

"First aid for home defense," this is the slogan that will be a prominent by-word for Daly City Post No. 410, American Legion, from now on. The post has established a class in first aid, open to the members of the Legion and the people of Daly City.

There are already 26 adults registered for the first class scheduled for Tuesday, September 2, at Legion hall, 474 San Diego avenue, at 7 p. m. There will be regular Red Cross first-aid instructors in charge of each class.

Registrants are urged to attend the first meeting. Other citizens who are interested in the course are invited to attend. The standard course is fifteen sessions and the advanced course is ten sessions. Classes will be held every Tuesday evening starting September 2.

"The classes are open to adults from 18 to 80," stated members of the group. However, if enough juniors show interest in the classes, a first-aid course for juniors will be established. This group would include children from 12 to 18.

When interviewing R. L. Crane jr., in charge of the classes for the post, he stated, "first aid is a basic necessity in all home defense work. Daly City is quite fortunate (Continued on Page 8)

Total Combined Rate Will Be \$1.09

Although the tax rate levied to pay the cost of the "General Government" of Daly City has decreased 3½ cents from last year, the total tax rate rose nine cents to \$1.09. The increase can be attributed directly to the \$40,000 Fire department bond issue passed in July. The bonds call for a tax of nine cents.

The tax rate for the year 1941-42 was approved by the council, Wednesday night, at an adjourned meeting.

General Government costs draw a tax rate of \$.75. Last year it was \$.785.

Library Maintenance has increased two and one-half cents to \$.07. The Unbudgeted reserve tax has remained the same—\$.05.

Total special bond tax rate is to be 22 cents, compared to 12 cents last year.

Two years ago the total combined tax rate was 91 cents, 18 cents under this year.

Annex No. 2 and Annex No. 3 of the area of Daly City will be excepted from the 1924 Municipal Water Works bond fund rate of \$.065.

Break-down of the tax resolution is as follows:

General Government	\$.75
Library Maintenance	.07
Unbudgeted reserve	.05
Total general tax rate	\$.87
1938 City Hall Bonds and Interest	
(Special tax)	\$.057

1924 Water Works Bonds and Interest	\$.065

(Special tax rate)	\$.09
Total special bond rate	\$.22

Newly-Formed San Mateo County Council Prepares To Speed Civilian Defense Plan

Arthur Quirmbach Suggests All Cities Stress First Aid Work

Aware that the West Coast is generally thought to be much less apprehensive than the East as to the danger of attack and more lackadaisical in its civilian defense efforts, the newly-formed San Mateo County Defense council went to work, last Tuesday.

At the meeting, Arthur Quirmbach, representative from Daly City, suggested that council members take a recommendation to the people of their communities of the importance of first-aid training. Then, when the council gets classes in first-aid started they will already be instructed in the fundamentals of such work.

A master plan for county defense was left in abeyance until Friday's district meeting with the army air corps at Hamilton field.

The air corps intends to set up six observation posts throughout the county as part of a statewide air raid warning "net." Sites for these posts will be selected by the army air corps. In an emergency the crews will telephone information of the approach of hostile planes to central stations, which in turn will notify "filter" stations, one of which will be located in San Francisco. "Filter" stations

will be in direct contact with army headquarters.

According to Quirmbach, a basic training in first-aid is required of all workers in the civil air defense program.

Named as temporary organizer and co-ordinator of San Mateo county's civilian defense efforts was Earl P. Wilsey, Hillsborough city manager. Councilman Edward R. McDonald, Burlingame, was chosen temporary chairman of the group. Wilsey will attend the army air-corps meeting and report on it to the defense group.

Quirmbach stated at the meeting that the Mills Field civilian airport and the factories in the South San Francisco industrial zone would be prime military objectives of hostile planes.

"The area organizer" he said, "will work out units and squads for public instruction, concealment and shelter, air raid warning and precaution, debris clearance and rescue, demolition and repair and gas decontamination.

"We are fortunate in having the experience of the British to draw from," he said. "In England they have required a basic training for first aid work, and we should lay particular emphasis on this phase at the present time," he said.

"Blood And Sand" To Open Tomorrow At D. C. Theatre

With the blazing pageantry of Spain providing the colorful background for Tyrone Power's most powerful role, 20th Century-Fox's latest Technicolor hit, "Blood and Sand," has been called a "magnificent, tensely exciting and colorful film." Featuring Linda Darnell and Rita Hayworth who head the famous name cast, the spectacular drama will open for a three-day run at the Daly City theatre, tomorrow.

To faithfully capture the rich colors of the Spanish costumes, architecture and atmosphere, Director Rouben Mamoulian took his technicolor camera crew and a troupe of 300 to Mexico City, where old Spain still survives in the new world. Amidst gem-encrusted costumes and the Latin atmosphere, the dramatic narrative of "Blood and Sand" took form.

"Blood and Sand" is the gripping story of a fearless, death-defying matador, teemingly romantic, who is torn between the love of his beautiful wife and the fatal charm of an alluring temptress. With Tyrone Power, Linda Darnell and Rita Hayworth in the key roles, the enthralling story unfolds in a colorful panorama that stuns, excites and grips.

Rising suddenly to fame, the matador forgets his own lovely wife to fall for the wiles of a heartless siren who, after a whirlwind friendship, in turn discards him.

Companion feature on the new bill will be "Mr. Dynamite," with Lloyd Nolan and Irene Hervey.

THE AMERICAN DOUGHBOY

Spiking reports of low morale in the army camps, State Commander William J. Farrell told the American Legion convention at Sacramento last week that the American doughboy of 1941 is just a chip off the old block—a soldier who will carry out the best traditions of the AEF of yesterday, if called upon to do so.

"The boys in the training camps today are just as good as any boys who ever served," said Commander Farrell. "They are the equal of any army, and there is just as much love of country among them as ever before."

The American doughboy gripes about his chow as a matter of course; he berates his non-coms (to his buddies); he 'cusses out the swivel chair boys who order his life and frequently lose his paycheck or his service record; he goes AWOL, from time to time, and does a hitch in the guardhouse; he has a girl back home and a girl in the town nearest his camp; he thinks war is the bunk (as who doesn't), but no matter how many times he parades—he never fails to feel a stir in his tummy as he passes Old Glory. He's just a buck private, a growling, complaining fightin' man, but when he goes into action—he's a son-of-a-gun on wheels.

To the boys of the Legion, the talk about "low morale" is just a lot of bologna. And no wonder; they used to gripe a bit themselves!

by J. F. Millett jr. on School street between Mission and Bruno. Inquiry disclosed the information that Miss A. Abrami is going to open a dress and ladies apparel shop. Store number will be 66 School street.

"Ye Olde" is destined to become one of the Peninsula's most popular eating rendezvous, according to Paul A. Wolter jr. Now under construction, the new restaurant located on Junipero Serra boulevard and Pierce street will open about the middle of September.

Not exactly a new business, but certainly a new enterprise earned a spot in today's news for Perry Mills, proprietor of Mills Salad factory, 6139 Mission street.

Mills has purchased a new \$1500 cellophane bag-making machine that turns out cello bags at the rate of 2500 per hour. Feeding off a roll of stock the machine folds, gums and cuts bags any size from 1½x1½ inches to 9x16 inches. Mills acquired the machine to make bags for his own vegetable products and besides has found sale for them to other firms.

Work On Bepler Street Shows Progress

Work on Bepler street is progressing slowly but steadily, according to A. J. Bodien, superintendent of streets.

Progress has been delayed due to the difficulty of working the ground on the Bepler street hill. The soil is extremely rocky.

When the job is finished the street will be equipped with two fire hydrants, a water system, and a fire alarm box. Several weeks will probably elapse before paving begins.

Summer Dance

Jimmy Davis and his popular dance orchestra, the Continentals, who have played frequently in San Francisco hotels and cafes and all up and down the coast, will furnish the music for the third in the series of summer dances being held in Redwood City. The dance will be held Saturday night, August 23, from 9 p. m. to 1 a. m., on the outdoor dance platform on Bayshore highway in the Recreation center, southern part of Redwood City.

Pardon me—have you heard?

A panorama of progress in EDUCATIONAL METHODS from colonial days to the present will be spread before the 800,000 visitors expected at the eighty-seventh annual California State Fair, opening, August 29, in Sacramento, it was announced today.

More than 10,000 exhibits will be presented in the Education building and school children will present daily programs in the little theatre of the building.

In the Education building, huge animated dioramas will dramatically contrast early American teaching methods with classes in a modern school equipped to train students for trades, and defense industries of the modern machine age.

Darkness of the Russian river at Healdsburg will burst into brilliant and COLORFUL SPECTACLE Sunday night, August 30, when fifty swimmers sweep out of the darkness in a gala Rivercade to be followed by thirty decorated and illuminated floats as the big event of the Harvest Festival over the Labor Day weekend, according to Bill Wolking, general chairman of the event.

A concert that is essentially modern in quality will be offered by the Northern California WPA symphony under the auspices of the San Francisco Art commission at the Civic auditorium, Tuesday, August 26, 8:30 p. m.

There will be NO ADMISSION CHARGE for this symphony, the second presented during the summer months.

Pianist Harry Kaufman, noted soloist with the New York Philharmonic and Philadelphia symphonies will appear in a reading of the second Rachmaninoff piano concerto.

Forsee New Airport

A \$100,000 airport that will "put Redwood City on the aviation map" will be built in the immediate future on property along Bayshore highway, if power poles around the tract are removed, it was disclosed last week by Redwood's city manager and a representative of the Stimson Flying corporation.

The site is a "natural," according to aviation experts. Congestion on airports in the Bay region caused Stimson Flying corporation to select Redwood City. The navy is moving into Alameda and the airport there must close within two months, it was said.

DEFENSE BOND Quiz

Q. Can my children buy Defense Savings Stamps?

A. Yes. Hundreds of thousands of American children are buying Stamps regularly as their share in the national savings program.

Q. Why should children be encouraged to buy Savings Stamps?

A. Because by buying Stamps they write their names on a Roll of Honor of Americans who are doing their part to show the dictators that united America will never flinch to preserve her sacred liberty.

Q. After my child has collected enough Stamps to exchange for a Bond, can the Bond be registered in the child's name?

A. Yes. A minor may own a Defense Savings Bond. Many parents are registering Bonds in their children's names to prepare for future educational needs.

Note.—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C., for a mail-order form.

No Log Cabins

Although most American illustrations picture them in log cabins, the late Harold R. Shurtleff, in the Log Cabin Myth, published by Harvard University Press, states that there were no log cabins in early New England or Virginia. They built frame houses.

YANKEES BEAT ALHAMBRA

KENNELLY NINE OVERCOME EARLY FOUR-RUN HANDICAP

Overcoming an early four-run handicap, Kennelly Yankees defeated Alhambra Waters 6-4 in one game of the weekly double-header of baseball at Marchbank park, Sunday.

The Alhambra boys produced all their runs in the first two innings, scoring one in the first with two hits, a double by Evan-son and a triple by Sharpe, and three in the second on two singles and another triple.

After the second inning, the losers could only get five more hits—and no runs.

Two big innings, which brought a lot of hits for the winners, produced three runs. In the fourth inning the Yankees knocked out five hits, all singles, but could put but one run over the plate. In the fifth three singles and a double added up two more runs. The winners tied the score in the eighth with one marker on three hits, and then went on to win in the ninth with two more runs.

Living up to the name of their big brothers in the American league, the Kennelly Yankees came through with 15 hits. The Alhambra Waters made 10 hits.

The game was under the supervision of the Daly City WPA Recreation department.

In the first game the locals, Daly City Juniors, were taken down the line to the tune of 18-3. Winners were Papenhausen Hardware company. In the six innings slaughter the winners scored in every frame but the second, finishing with a seven-run explosion in the sixth.

Box score for the locals is as follows:

Local Legionnaires Attend Convention

"It was a wonderful convention!" This was the consensus of opinion as expressed by representatives of Daly City Post No. 410, American Legion, upon their return from the state convention at Sacramento, last week. Attending from the local post were R. L. Crane jr., Lesley Hill, Arthur Quirnbach, and A. G. K. Jakobson.

No, They Didn't Put To Sea In A Sieve

The fish didn't have much of a chance when 35 members of Colma Vista Grande Aerie No. 1848, F. O. E., sailed eight miles out to sea, Sunday morning. All well known for their astute and irresistible fishing methods, the Eagles caught altogether about 15 fish.

They headed for home at 12:30 p. m. At the Santa Cruz beach most of them went through the various concessions, such as the chute-the-chutes, without notable damage to themselves or others. Everybody had a merry time, although there were two or three who got seasick out on the bobbing waves.

After a chicken dinner, everybody came home at 4:30 p. m. tired but glad. Movies were taken on the "voyage."

They had set out from Daly City at the early hour of 4:30 a. m., breakfasted at the "Top of the Hill," and boarded a chartered bus for Santa Cruz.

Committee in charge of the excursion was Mel Battye, Dale Hovey, Bert Meritt, and John Craig.

The local delegation reported upon the selection of officers for the state. Commander is Robert Garner, San Bernardino Post No. 14; commander of the second area, in which Daly City is located, Claudius A. Markley, George Washington Post No. 114, San Francisco; vice-commander-at-large, Mrs. Adelaide Moddison, Capital City Women's Post No. 389, Sacramento; chaplain, Father Cornelius Kennedy, Redwood City; sergeant-at-arms, George Contreas, Los Angeles Post No. 6.

San Mateo Voiture No. 393, 40 and 8 won a second place in the drum and bugle corps competition. The Twenty-sixth district won a cup for disaster mobilization call. This marks the fifth time in six that the district has taken first honors in this competition.

Gene Keagle Shoots 125-Pound Buck

Everybody's the friend of Gene these days!

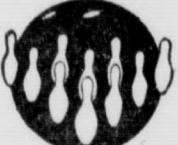

Gene Keagle, butcher in Milo's market, went up to Redwood Valley over the weekend and shot a 125 pound buck. That's the reason. Apparently most of the people in Daly City have a taste for venison.

"I'll need about a dozen deer to fill all the orders," said Keagle.

He went on the hunting trip with his cousin, Carl Cowan, Oakland. Redwood Valley is above Ukiah.

Nazarene Church Has Anniversary

Grace church of the Nazarene is to celebrate its eighth anniversary of the organization of the church, Sunday. Arrangements are being made for special speakers and music for the occasion.

During the eight years that the Nazarenes have been active in the community, they have touched the lives of hundreds of boys and girls through the Sunday school. They have sponsored club work for boys and girls to build moral and character.

The church was organized with thirteen charter members. The Reverend Jesse Gill was appointed as first pastor. Others that have served as pastors are Reverend Joseph L. Logdson, Reverend Leo Baldwin, and Reverend N. M. Lewis, who is the present pastor. He has served for four years.

On the occasion of this anniversary Reverend Lewis expressed his thanks for the hearty reception he has received while serving the church in Daly City. He invited the public to the special services next Sunday.
